# Dear Indiacaca friends,

The International Indiacaca Association (IIA) was founded in 2000 and has undergone an impressive development since then. Over the past 25 years, the IIA has brought together countless Indiacaca friends from all over the world and raised the sport to a new level.

The anniversary will be celebrated in advance of the 7th Indiacaca World Championships in Tartu / Estonia.

We start the anniversary with a tournament in which we play our favorite sport in randomly drawn teams. The anniversary tournament, is a tribute to all those who have participated in our events over the past 25 years and share the passion for Indiacaca. The focus here will be on getting together with old friends, enjoying our favorite sport and on fair play.

Afterwards, a festive party awaits you, where we will raise our glasses together to celebrate the past 25 years.

We look forward to celebrating this important anniversary with you and to start in the next 25 years of competitive achievements and great memories.
